State Activities

Team Leader: TBD

Purpose: To augment through 3rd parties targeted responses and other pro-active activities creating a "barrage of genuine concern" and sanity to the process.

1) State Pro-Active in KY, NC, SC, TN, VA
Initial meetings held. Final draft waiting clearance. Teams ready to be activated. The purpose to to have favorable regs. in play/adopted as model for other states and to have impact on the federal.

2) Preemptions/State Laws: Compilation of states with this legislation and comments then to federal; that proposed regs. already in effect in certain venues and don't need additional.

3) Resolutions: CSG and regionals, ALEC, NCSL, etc to adopt resolutions where possible(could be on Accommodation, IAQ, Risk Assessment, Business Impact, Unfunded Mandates) Once determined appropriate, a Resolution Clause to be developed.

4) Local/Regional offices: to generate additional flow of information to the local/regional offices by leveraging know alliers, officials, etc.

5) MD/WA: to generate additional allies, witnesses, and public outcry to defer/delay if possible and enhance legal arguments.

6) NSA: mobilized to generate political/economic pressure, write LTE's, etc. This is not limited to the NSA but all potentials on all data basis. System to lift those willing to testify to be determined along with need and preparation of testimony.

7) Consumer Data Base: could be used to mobilize for additional comments as needed to meet the 6/29 deadline.

8) Labor: Both nationally and at the state level (Jim Boland, RD's).

9) Allies/Coalitions/Vendors/Suppliers: to generate comments, expand the opposition through their organizations, bring political pressure to bear, gather petition signatures, etc. (Public Affairs Department). This would also include interested parties that manufacture and market low-cost options in the ventilation area

10) Accommodation Program: to generate appropriate comments/be witnesses as needed.

11) International: To use tourism as leverage and to bring home the message that the rest of the world is laughing at US (WRA).

12) Political Action: To be discussed. To ensure that there is a price to pay on this issue.

13) Dear Colleague letters: To promote favorable studies, etc.

14) Ally development relative to federal agencies (Jim Boland)
